

PROSPER BASEBALL WEEKLY UPDATE

4-26-2008

The Prosper Eagle Varsity Baseball Team capped off the regular season with a tough 5-4 loss to Frisco Liberty. The loss brought the Eagles District 9-3A record to 10-4, which was good enough for a 2nd place finish. That is quite an accomplishment for team that many state prognosticators picked to finish no better than 3rd in one of the most rugged districts in the state. The Eagles finished the week off playing a warm up game against the West Trojans. It took the Eagle offense awhile to awaken, but when they did, they exploded. Eight runs were scored with two outs in the bottom of the sixth, and the Eagles took the game by a score of 12-5. The Eagles now turn their attention to the 1st round of the playoffs. The opponent will be the Emory Rains Wildcats. Playoff information is still in the works, and will be made public as soon as it's available. At this time, the schedule is for a 3 game series, with a game being played Friday night, and the 2nd and 3rd game being played on Saturday. The sites and times are still up in the air at this point.

The JV Green team finished off a successful season with a 16-2 pounding of Frisco Liberty. The Eagles ran their district record to 12-2 in what was the end of season which saw the Eagles improve greatly over the course of the year. We are extremely proud of the way the JV Green competed throughout the 2008 season.

The JV White team also finished their season against Frisco Liberty. Unfortunately they could not hold a late lead and dropped the contest 10-9. All in all the JV White team had a quality year. The rainy season certainly took some games away from them, but they always practiced hard, and made remarkable strides over the course of the season.

Attached in the weekly Live Education email is a playoff t-shirt order form. We hope that we sell a bunch of shirts so that there is a sea of green for our upcoming playoff series. We appreciate all the support that has been given this season, and hope that you will continue to make plans to support us throughout the 2008 state playoffs. There is nothing better than playoff baseball, and the Eagles are excited to be apart of it.

Thanks, and have a great week.
